FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 914 - HB 1137

March 10, 2023

SUMMARY OF BILL: Requires the State Fire Marshal to accept an application for a permit for a public display of fireworks regardless of when the application is submitted and to approve the permit so long as all other permit and safety requirements have been met.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Under current law, Tenn. Code Ann. § 68-104-211, applications for a permit for a public display of fireworks must be made at least 10 days in advance of the display and the State Fire Marshal to accept a late application with or without a late fee for an application submitted within the ten-day window.
- Allowing such applications for permits to be approved regardless of the timeframe is not anticipated to change the number of permits issued.
- Based on information provided by the Department of Commerce and Insurance there will not be a decrease in any revenue from permits or late fees for permits.
- Any impact to state or local government is not significant.

IMPACT TO COMMERCE:

NOT SIGNIFICANT

Assumption:

- The proposed legislation will not result in any significant impact to jobs or commerce in Tennessee.
